INGREDIENT EXCELLENCE BY RAPS

Unlocking functionality, taste & innovation

Alimentaria FoodTech | 6 - 8 October 2026

COMBINING TASTE & FUNCTIONALITY

Functional ingredients and compounds for the meat industry as well as for plant-based alternatives

FRESHLINE TECHNOLOGY

Savoury preparations, pastes and other chilled systems crafted from chilled and frozen raw materials

Dry and liquid seasonings, spice blends, marinades and sauces

CO_2 EXTRACTION

Highly concentrated, solvent-free extracts with true-to-nature taste characteristics

MICRO-ENCAPSULATION

Encapsulated ingredients for controlled release, improved product performance and sensory characteristics

TASTING:
HYBRID PROTEIN BALLS

Inspired by the fusion of meat and plant-based ingredients, combining familiar taste and texture with vegetable-driven freshness for a balanced and innovative eating experience.

RAPS Ingredient Solution:

1107500 Cauliflower Paste (30-50%)
Ingredients: Cauliflower, parsnip, onions, water, maize starch, salt

1730429 Compound for Hybrid Meat Balls (5-6 %)
Ingredients: Pea protein, potato starch, stabiliser: diphosphates E450

1730430 Seasoning for Hybrid Meat Balls BBQ (2-3 %)
Ingredients: Sugar, dextrose, tomatoes, spices (i.a. smoked), onions, garlic, natural flavouring

Product Benefits:

- ✓ Stable texture during processing and storage
- ✓ Juicy, tender bite despite reduced meat content
- ✓ Balanced nutrition by combining meat and plant proteins
- ✓ Rich, savoury taste
- ✓ Vegan & halal suitable
- ✓ Shelf life: paste 30 days | compound 18 months | seasoning 12 months

Trend Driver

Hybrid meat is gaining traction by combining the best of meat and plant-based ingredients, meeting demand for natural, cleaner-label products. This approach reduces meat content while maintaining familiar taste and texture, opening up new possibilities for more sustainable and flavourful food solutions.

TASTING:
PLANT BASED BITES CURRY

Inspired by the growing popularity of global plant-based cuisine, combining a juicy wheat-based texture with aromatic curry seasoning for a rich and authentic Indian taste experience.

RAPS Ingredient Solution:

1727976 Compound Wheat Texture (2-3 %)
Ingredients: WHEAT protein textured (WHEAT protein, WHEAT flour, pea fibre); rice flour; rapeseed oil

1728368 Vegan Protein Bites Curry (7-8 %)
Ingredients: Linseed partially deoiled, natural flavouring, spices, salt, inulin, garlic, onion, sugar, herbs

Trend Driver

Plant Based Bites tap into the rising demand for globally inspired plant-based foods that combine indulgence with wholesome ingredients. Featuring a juicy wheat-based texture paired with aromatic curry seasoning, these Indian-inspired bites deliver a rich balance of warmth, spice, and savoury depth.
